ReconciliACTION Student Network

The John Humphrey Centre for Peace and Human Rights is building a [youth-led network and team of young educators](#), ages 12-19, who want to make a difference by working with other youth to pursue meaningful reconciliation in their communities. Students who become involved will learn about our shared history and build skills to educate others on the realities and manifestations of colonization. Getting involved is as easy as attending an introductory dinner on **February 28**. For more information, or to RSVP, contact [Chelsea Burke](#). <https://www.jhcentre.org/reconciliation-in-schools/>
