Parking in SAP: It has come to our attention that the safety and security of our students and vehicles utilizing and parking in the Strathcona Athletic Park has been compromised. In an effort to provide support and security for all our students walking through, parking within, and being picked up at SAP, we have requested an increased presence of both RCMP and By-law Officers. They are specifically focusing on safe driving and will issue tickets to those individuals not adhering to the safety and traffic laws and will be in both marked and unmarked vehicles. The speed in the parking lot is 20km/hr unless otherwise posted. By way of information, a Graduated License (GDL) allows for 7 demerits and traffic violations could be issued ranging from \$50-550 with a variety of demerit penalties. Please drive cautiously and keep everyone safe. Thank you for your attention to this very concerning matter!
