

Bev Facey Grad List Information

Grad List # 1 – December 3, 2018

1. This is NOT the final Grad List.

2. If you are NOT on this Grad List, here are the possible reasons why:
 - a. Your \$80 Grad fee has not yet been paid. This will be most of you as it was over 100 students!

 - b. You are missing Grad requirements.

3. If you are not on this Grad List, you are still eligible to get on the Grad list and to graduate.

Future Grad Lists

This Grad list only looks at requirements that you are registered in, not your current level of success in those courses. Future grad lists will take course completion, and success into account.

What if I have Questions?

First double check that your Grad Fee has been paid. If you still have questions, make an appointment to meet with someone from the Guidance Department, either Mr. MacKinnon or Mrs. Rankin, or you can meet with your Administrator, Mr. Shudra.
