

# Bev Facey School Council Information

**All parents of students attending Bev Facey are members of the School Council.**

As a parent, you are always invited to attend any meeting. We are a fairly informal group who meet once a month to discuss school issues.

**Come find out what is happening at the school.** At every meeting, parents have the opportunity to hear reports from the school administration, a student representative, as well as a report from a school board trustee. Parent participation is encouraged and there is usually lively discussion on a wide range of topics.

There is NOT any fundraising done by our School Council!
