BEV FACEY

Community High School

Motto:
In Pursuit of Excellence

Our Mission:
To provide a supportive environment and a comprehensive education developing adaptable, responsible learners, who are capable of meeting the opportunities of a changing world.

The Facey Way is an active and evolving initiative encompassing values of **Commitment, Dedication, Enthusiasm, Loyalty, and Respect.**

Students, staff and parents involved with the Bev Facey School community accept the responsibility of maintaining and representing a positive school image.

Our Beliefs:
We believe in personalized and individualized learning opportunities focused on positive relationships.

Advanced Placement

The Advanced Placement Program is a cooperative endeavour between high schools, colleges, and universities. The main goal of the program is to enable willing and academically prepared students to develop university-level knowledge and skills while still in high school.

AP courses are highly valued in admissions applications; students with an accepting AP exam score may qualify for transfer credit or advanced admission standing, or both.

The environment of an AP class is conducive to higher level thinking, questioning, and learning. AP students are motivated, focused, and engaged, creating an atmosphere where class discussions deepen and broaden intellectual understanding and learning becomes more dynamic.

AP® courses: Art and Design, Biology, Calculus AB, Chemistry, Computer Science A, Computer Science Principles, English Language and Composition, English Literature and Composition, European History, French Language and Culture, Physics 1 & 2, Statistics, Capstone Research & Seminar

Programs

FOCUS, GOALS & PLACE Programs

Off-Campus Education

- Green Certificate, Registered Apprenticeship, Work Experience

Athletics

Student-athletes selected to any BFH team are positive representatives and ambassadors of Facey Athletics.

High Performing Advisory Program (HPA) is designed to give students who are top sporting or artistic performers the tools they need to achieve balance across their active and academic lives.
