## Daily Bulletin

*“We would like to begin by acknowledging that we are on Treaty 6 traditional territories in Alberta of the many First Nations, Métis, and Inuit whose footsteps have marked these lands for centuries.”*

#### **June is Pride Month!**

##### Why are there different Pride Flags?

 The Non-Binary Flag: White is a mix of all the colors, purple a blending of blue and pink, and black the absence of color; all symbolize those whose gender identity does not fit into the traditionally defined categories of the blue(male)/pink(female) binary.

 Many non-binary people will use they/them pronouns, which have been used as singular pronouns in English for hundreds of years.

These skills are needed for any academic discipline that you will be taking in your post secondary studies. Students will choose a topic to research in an area that interests them. This AP class is great for students who want to challenge themselves and learn the necessary skills needed for research, presentation and communication before starting post-secondary studies. You do not need to take any other AP courses to take this course, but if you are taking other AP courses you may qualify for the AP Capstone Diploma which can be used for university credit. Please see Mr. Willard or Mrs. Williamson for more information.
