## Daily Bulletin

### September 27, 2022

*“We would like to begin by acknowledging that we are on Treaty 6 traditional territories in Alberta of the many First Nations, Métis, and Inuit whose footsteps have marked these lands for centuries.”*

#### General Announcements:

**Post secondary Presentations** - Students interested in learning about Alberta's post secondary institutions can sign up for presentations now. Post secondary presentation posters with a QR code can be found in the main office and student services.

UBC will be hosting a presentation for any students interested, TOMORROW September 28th during block 1. Please sign up for these presentations and more using the Post secondary poster QR code.

**Artist of the Week-** Congratulations to Rashad Timona (Art 10) on his unique portfolio design. Challenged with using their names creatively, the Art 10 students created some amazing pieces of Art. Check out Rashad's design in the front display case and more outside of the Art classroom doors.

**FLI-** Be sure to wear your orange shirt on Thursday to support Truth and Reconciliation day. FLI will also be giving out orange cookies in the cafeteria at lunch.

**"A Taste of Pi"** - Have you ever considered a career in the mathematical sciences? Do you want to learn about the beauty of mathematics and its applications? "A Taste of Pi" is an event for high school students where professors talk about research, new and exciting developments in the mathematical sciences, and about contemporary applications of mathematics. Students will have the opportunity to listen to some engaging speakers and will be able to ask questions and interact with the professors. The series of talks takes place at the University of Alberta on the first Saturday of the month during the fall in October, November and December. For each session, we will have two speakers present followed by lunch which will be provided. Students are expected to attend all three sessions and there will be daily prizes as well. For more information or to register, please see Miss Wong (Room 233).

**Women and gender diverse students who have an interest in Science, Engineering or Technology.** - This fun and interactive day shows young women and gender diverse students in grades 10-12 that there is more to science than medicine and more to engineering than building bridges, and more to technology than sitting behind a computer screen. SET jobs are interesting, collaborative, diverse and support every aspect of our lives. Want to make an impact in the world and have a meaningful career? Consider SET. Registration is limited and opens October 12, 2022. - Come see Mrs. Tattie for more information.

**TRC Week-** Welcome to the week leading up to the **National Day for Truth and Reconciliation**. Join in dialogue, moments to listen, and reflection on September 30. There are a few ways you can participate:

1. Stop by the front display... add to the shoes on display (loan them and retrieve them Thursday).
2. Take the time to watch and read the bulletin over the next few days.
3. Wear Orange this week. Take a pin! Hiy Hiy!
