Principal's Message

Welcome parents, family, friends, and our excited audience! On behalf of Bev Facey Community school, I want to thank each of you for attending what will be an amazing performance and for supporting our hard-working ultra-talented cast of students. They have shown passion, commitment, and loyalty to one another all through the journey of preparing for this production. In doing so they truly have represented the very best of what it means to be a Bev Facey Falcon. It has been

my pleasure over the last few months to see firsthand the intense work and awesome results that our students have been able to achieve, and now tonight they will get to share that with all of you on the stage!

It has been truly inspiring to see our cast rally around each other and along with the excellent guidance of our drama staff they have created an optimal environment for each of them to take risks and excel in their individual and group performances. Each of our students have worked long hours and have all taken turns at leading one another to continually raise the bar in this production. The entire cast's commitment and passion is a testament to the fantastic artistic learning environment that we support and benefit from within the Bev Facey community.

The graphic arts and the wild west both play significant roles in tonight's production of *Holder Posey, the Felonious Photographer*; the villain is a photographer bent on larceny, the hero of the day is a sketch artist, and the action happens in the dusty little western town of Holeinroad. Adding in the oddball antics of the town's intriguingly-named citizens creates a highly entertaining melodrama.

Your ongoing support of the Bev Facey Performing and Creative Arts program is greatly appreciated. Thank you again for your patronage and on being the positive catalyst in the audience for all our students—now, please sit back, clear your thoughts, and let our cast transport you to someplace special!

Director's Notes

Director's Notes

Directing *Holder Posey, the Felonious Photographer* was an amazing experience! Creating the "over the top" acting and atmosphere was a laugh a minute for all involved. It was awesome to watch this very talented cast come together and create such a fantastic show.

The presentation you are about to see is the result of many hours of preparation, rehearsals, and a great deal of larger-than-life acting. Adding in the physical humour, villainous laughter and many 'schmooches' made this a very challenging play to direct.

Director's Notes

I have taken great pleasure in working with a highly talented cast of actors while directing *Holder Posey*. I thank each and every one of my drama students for your overwhelming commitment to this production. Preparing this play was a memorable experience, one I won't soon forget. I wish all of you the best of luck in the future.
