Join the School of Skilled Trades in-person to see what it's like to work in a skilled trade. Come and learn about our apprenticeship and pre-apprenticeship programs firsthand by speaking with instructors and exploring our labs and equipment. Advisors will be on hand to answer all your questions regarding admissions, apprenticeship, student services, and financial aid.

Artist of the Week: Congratulations to Sheridan Beavan (Art 30) on a drawing showing off a very unique perspective. Students were challenged to create a composition at school, from their own perspective as much as possible. This interesting composition is worth checking out in the front display case!

Norquest Open House: Saturday March 18th from 10:00 - 2:00pm you can explore over 45 programs while speaking with student advisors. They'll help you discover which programs are best suited for you.

Math Competitions:

*The **Totem Torus** is a Team Math Competition held annually at Ross Shep where participants work individually and in teams to flex their mathematical problem-solving skills through fun and engaging activities. The contest will take place on Thursday, April 13th this year. Any students interested in participating, **please attend a meeting on TODAY MARCH 2nd at the start of lunch in room 233** for more information.

*The **Euclid** (Gr. 12) contest gives senior-level secondary school students the opportunity to tackle novel problems with creativity and all of the knowledge they've gained in secondary school mathematics. This year, the contest will be held on April 4th. The deadline for registration is Friday, March 10th. Any students interested in participating or would like more information, please contact Miss Wong (Rm 233).

*The **Hypatia** (Gr. 11) and **Galois** (Gr. 10) are fun, engaging contests that encourage critical thinking as participants tackle problems that build to a larger, more complex task to solve in each question. This year, the contest will be held on April 5th. The deadline for registration is Friday, March 10th. Any students interested in participating or would like more information, please contact Miss Wong (Rm 233).

CLUBS:
