

FLORAL DESIGN 10

OVERVIEW

Floral Design is the best darn bloomin' 5-credit course offered at Facey that any student, in any grade, of any gender, with no prerequisites can take. You will learn about flowers, how to arrange them, how to care for them, and how to display them. It's fun, it's rewarding, and it is often the most de-stressed 80 minutes of a student's day.

Try Floral Design, you will be pleasantly surprised by how you'll gain an appreciation for flowers and the impact they make.
