Principal's Message

Principal's Message

Welcome parents, family, friends, and our excited audience!

On behalf of Bev Facey Community school, I want to thank each of you for attending what will be an amazing performance and for supporting our hard-working ultra-talented cast of students. They have shown passion, commitment, and loyalty to one another all through the journey of preparing for this production. In doing so they truly have represented the very best of what it means

to be a Bev Facey Falcon. It has been my pleasure over the last few months to see firsthand the intense work and awesome results that our students have been able to achieve, and now tonight they will get to share that with all of you on the stage!

It has been truly inspiring to see our cast rally around each other and along with the excellent guidance of our drama staff they have created an optimal environment for each of them to take risks and excel in their individual and group performances. Each of our students have worked long hours and have all taken turns at leading one another to continually raise the bar in this production. The entire cast's commitment and passion is a testament to the fantastic artistic learning environment that we support and benefit from within the Bev Facey community.

Principal's Message

The *Brothers Grimm: Out of Order* is delightful mash-up of a number of popular fairy tales, familiar to all. Our Drama 10 class is obviously having a great deal of fun with this light-hearted performance, and I think you will be entranced by their level of comedic energy. And of course, a happy ending is a given!

Your ongoing support of the Bev Facey Performing and Creative Arts program is greatly appreciated. Thank you again for your patronage and on being the positive catalyst in the audience for all our students—now, please sit back, clear your thoughts, and let our cast transport you to someplace special!

Director's Notes

Director's Notes

Our Drama 10 students have worked tirelessly over the past weeks preparing for their debut. It is exciting for our students to have the opportunity to perform this fun and light children's tale for our audiences. It is remarkable to see the growth that this class has shown in merely three months in our program. They are truly an outstanding group and we look forward to their growth in years ahead.

Director's Notes

The *Brothers Grimm: Out of Order* is a delightful story that will keep audiences engaged and laughing throughout. As you might expect, this is not a traditional tale and provides many twists and turns. This has provided much laughter in rehearsal. We hope you enjoy this performance as much as we have done while working on it.
