PCL Local 488 Welding “Flame to Fame”: This scholarship is awarded to the student that PCL Local feels best represents everything that an employer in the real world would want in an employee—someone who is a team player, punctual, has great attendance, good work ethics, and is willing to help others. **please note: The recipient for this award has already been declared for the 2023-2024 school year.** (\$500)

Kala Fresh Vending Award for Welding: This award is dedicated to a student who has demonstrated financial need and has shown a significant improvement in overall achievement during high school. BFCHS staff selection committee. (\$ amount varies)

Elk Island Public Schools Awards: **The nominations for these awards have already been submitted by the BFCHS selection committee to the EIPS selection committee in early spring of the 2023-2024 school year.**

Kevin Gaetz: Up to two students from each senior high will be awarded a monetary amount from the Edmonton Community Foundation for the Kevin Gaetz Award, which recognizes and supports students in their pursuit of post-secondary education. The recipient must meet the entrance requirements for the program of post-secondary studies to be supported, to have a financial need that could restrict the student’s ability to pursue studies, and demonstrate a perseverance and commitment to post-secondary education. This could be described as desire and determination to pursue further learning in an area of interest. (\$ amount varies)

Konica Minolta: Konica Minolta wishes to acknowledge deserving students in need of support to pursue their career, education, and learning goals. Three EIPS students will be selected to receive this award. The scholarship recognizes and supports students who have overcome some level of adversity to graduate from senior high and continue their learning in any capacity. Students who demonstrate a strong work ethic, optimism, resilience, knowledge, and success in their pursuit to achieve their Alberta High School Diploma or Alberta High School Certificate of achievement may be nominated. (\$500)

WesTec: Dow Canada is recognizing two outstanding students in EIPS for their academic achievements, demonstration of innovation, and pursuits in science, technology, engineering, and mathematics (STEM). Grade 12 students must be in good academic standing with aspirations to pursue a career in STEM. Successful candidates will be selected based on their 300-word abstract submission demonstrating some level of innovation, creativity, and impact. **Topic:** Describe a time in your life—not limited to STEM activities—when you took an innovative approach to solving a problem that made a positive impact. The abstract should describe the problem, the challenges faced, and the outcome. (\$500)
