

# Reduce **your footprint**

Donate old shoes Oct 17-21

## give your old shoes new life!

Waste Reduction Week is October 17 to 23 and to celebrate, we are having a shoe drive!

- ✓ Bring your old shoes for donation October 17 to 23.
- ✓ Teachers will collect the shoes for each classroom.
- ✓ Shoes can be in any state of wear and must be tied or bound together with elastics.
- ✓ Students will receive an entry for a chance to win prizes with each shoe donation.

Shoes are a difficult item to recycle and are usually sent to the landfill - until now! Strathcona County works with Soles4Souls to collect old shoes to keep them out of the landfill. Soles4Souls takes donated shoes and distributes them where they are most needed. If they cannot be reused, they are sent for refurbishing by small businesses in developing economies.
